

Christmas Store
Wednesday, December 14th
(one day only!)

The Christmas Store will be open during the school day (12/14/2016) for students to visit and purchase gifts. Each student will shop with their class for low cost holiday gifts for their loved ones, cats and dogs included!

Quantities of each item are limited. On average, items cost between \$2-\$5 but range from as low as \$0.10 to as high as \$10. Items available include:

- Mugs
- Decorative plates
- Ornaments
- Keychains
- Seasonal decorations
- Beauty items (nail polish, soaps)
- Home décor

Please send your child to school with **cash** (small bills preferred) in an envelope or sealed bag with

their name on it. You may send in a grocery or shopping bag for them to use as well (we will have some bags too) and a list of the loved ones to buy for! **A list is highly recommended for the younger students.** Below is a shopping list you can fill out. All students must have their own cash by Wednesday to shop.

If you would like to volunteer during the store or early morning set up, please contact Christine Pesola-Strickland at (914) 582-7869 (call or text) or christinepesola@hotmail.com. It is a lot of fun to be a part of!
