

St. James Soccer 2018 Season

It's time to sign up for the 2018 St. James Soccer season. Boys and Girls from grades three through eight are eligible to play. The league is co-ed and all levels of players are welcome. The season will run from early April through mid-June (Weather permitting!). Practices will be on Wednesday afternoons / evenings. Practices will usually last about 90 minutes. Junior Varsity practices (third through fifth grades) are from 5:00 pm – 6:30 pm and Varsity Practices (sixth through eighth grades) are from 6:00 pm - 7:30 pm. Games are usually held in Manchester, on Saturdays between 8:00 am and 2:00 pm. There is a \$50.00 fee per child to participate. There will be a discount for multiple players in the same family, two children \$80, three or more children \$90. This fee has increased for the first time since 2012. The coaches will provide more details as the season approaches.

We participate in the Connecticut Catholic School Soccer League. There are a few simple rules in the league:

- This is a limited contact league, aggressive play is not tolerated
- We stress good Sportsmanship
- All players are required to wear shin guards
- Cleats are optional but if worn, only plastic cleats are acceptable
- No jewelry may be worn during the games. (This includes pierced earrings)
- We try to assure equal playing time for all participants

All children must have a school medical form filled out and turned into the office in order to practice or play in the games. If your child has played a sport this year at St. James, they do not need a new form. However, we need to verify that it is on file with the school. If the form is missing you will have to get a new copy from your doctor. Please complete the attached registration /contact form and return it to the school along with the fee and medical form (if necessary) by Friday, March 23. No one will be allowed to participate in a game or practice unless their coach is in possession of the medical form. The first practice / game will be dependent upon the weather and the town of Manchester releasing the fields. We will be trying to use the St. James website for the majority of our communication this year but each coach will have their preferred method of communication.

We are always in need of help with coaching – especially the younger teams and administration. If you would like to volunteer to help please let us know. Previous coaching experience is not required.

To volunteer or if you have any questions please contact Jon Sargent via telephone at 440-319-8892 or email: sjssoccer@charter.net

Instructions:

Fill in the information below and return it to the St. James office along with your payment. If your child has not played a sport at St. James this year, you must have a medical form filled out and signed by a doctor. Blank forms are available on the St. James website and at the office. If your child has played a sport at St. James this year, we will check the file for a copy, if we cannot locate a copy, we will ask you to provide a replacement. As a reminder, no one may participate in a game or practice unless the coach has a copy of the completed medical form.

Please provide at least one cell phone and one email address. We will try to maintain a clear line of communication via the St. James website, emails and/or text messages.

Childs Name: _____
