Dear Friends of Saint James School,

With the 100th anniversary of Saint James School quickly approaching, we have been working diligently to make improvements – both internally and externally – that will allow our school to remain the leading choice for educating many more decades of well-rounded, faith-inspired leaders.

Over the past ten years, donations to our school's Annual Fund campaign have helped support many critical improvements: new energy-efficient windows can now be found in every kindergarten through grade eight classroom and new roofing throughout the main school building has eradicated all weather-related leaks. Your support is so important in helping us make these improvements while keeping tuition affordable for our enrolled families.

Today we kick off our 2019 Annual Fund campaign, with the goal of raising money to replace one final aged roof on our campus – the roof of the pre-kindergarten building (the former Saint James Convent). This facility houses our youngest learners and is another component of the exceptional, faith-based education offered at Saint James School.

We gratefully thank you for your consideration in supporting Saint James School's 2019 Annual Fund campaign. May God bless you today and always.

Sincerely yours,

A handwritten signature in cursive script that reads "Mrs. Bridget Zorger".

Mrs. Bridget Zorger  
Principal

P.S. Saint James School provides today's learners with an exceptional academic education steeped in faith, tradition, and values. Your support helps us to keep tuition affordable and allows Catholic education in Manchester to continue to thrive.
