Student should answer the following questions in their own writing and turn it in with the permission slip and participation fee. If we have more interest than slots, students will be selected based on their answers.

1. Who is the Patron Saint of Engineering?

2. Why are you interested in participating in this club and what are you hoping to learn through your participation?

3. Did you participate in the SJS Robotics Club last year? Have you participated in any robotics/programming classes outside of SJS?
